**Sub : Observance of International Yoga Day on 21.06.2016**

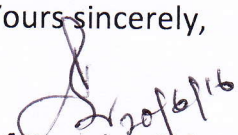

**Sir/Madam,**

I take this opportunity to request you all to celebrate the International Yoga Day on 21<sup>st</sup> June 2016 in your campus. As you know, Yoga is not only an exercise but also a meditation required for peace, prosperity and happiness of the people. It has been experienced and accepted by many Saints that Yoga has helped the people in building good health and leading a peaceful life.

It is a fact that taking into consideration the desire and expectations of the youth specially the young students studying at +2 level, the Council has introduced YOGA as a compulsory subject and it has been appreciated at all level.

In view of the above, you are requested to organize a Yoga camp inside your college premises in the morning of 21<sup>st</sup> June 2016 and ensure that not only students but also the teachers and employees of your institutions take part in that Yoga class/session.

Yours sincerely,
